RISK TO INVESTOR

- Our Company, Directors, Promoters and Group Companies are parties to certain legal proceedings. Any adverse decision in such proceedings may have a material adverse effect on our business, results of operations and financial condition.
- If we are unable to successfully implement our proposed expansion plans, our results of operations and financial condition could be adversely affected.
- Our Company is yet to place orders for the machinery for the expansion of the Manufacturing Facility. Any delay in placing orders or procurement of such machinery may delay the schedule of implementation and possibly increase the cost of commencing operations.
- The availability of look-alikes, counterfeit products, primarily in our domestic markets, manufactured by other companies and passed off as our products, could adversely affect our goodwill and results of operations.
- Our revenue is dependent on single business segment i.e. PVC Pipe & Electrical Conduit. An inability to anticipate or adapt to evolving upgrade of these products or inability to ensure product quality or reduction in the demand of these products may adversely impact our revenue from operations and growth prospects.

For further details please refer to the chapter "Risk Factor" on page no. 21 of the Prospectus.
